Projects

A Personal Voice Assistant

- Built a smart voice assistant for Windows with wake-word detection, natural voice interaction, and task automation.
- Supported both speech and text input for accessibility, enabling functionalities such as answering queries via GPT, playing music, opening applications, searching the web, and automating routine tasks.
- Tools Used: Python, OpenAI GPT, SpeechRecognition, Pyttsx3

Automated Recruitment System

- Designed an AI-powered application to automate recruitment processes by analyzing resumes and matching candidates with company policies and requirements.
- Integrated AI-driven interview simulations and intelligent shortlisting, reducing manual screening effort and improving hiring efficiency.
- Tools Used: Python, Groq API, firebase

Automated Timetable Management System

- Developed a dynamic web application to automatically generate and optimize timetables for schools and colleges.
- Accounted for class schedules, faculty availability, and subject constraints to minimize conflicts and improve time management for students and teachers.

- Tools Used: PHP, MySQL, HTML, CSS, JavaScript, Bootstrap

Idea-Innovator-Investor Platform

- Created a platform that connects startups with potential investors by allowing innovators to pitch their ideas through documents, presentations, and detailed project information.
- Streamlined communication with features such as investor notifications, document sharing, and secure email integration to support funding opportunities and collaborations.
- Tools Used: PHP, PHPMailer, MySQL, HTML, CSS, JavaScript, Bootstrap

Skills

- **Design & Visualization:** Photoshop, Adobe XD, Figma, Canva
- **Programming Languages:** C, C++ , Java, Python, JavaScript
- **Web & Full Stack:** HTML, CSS, Bootstrap, ReactJS, Node.js, Express.js
- **Database & Cloud:** MySQL,PL-SQL, MongoDB, Firebase, REST APIs
- **Software & Tools:** GitHub, VS Code, Power BI
- **Soft Skills:** Leadership, Teamwork, Problem Solving, Adaptability, Communication,Time Management
